

Stop All Harassments!

Kochi University aims at being a harassment-free university.

We have designated advisors anybody can consult regarding any harassment.

If you think you are a victim of harassment, feel free to consult one.

You will never experience any sort of problem in consulting one.

Your privacy will be completely protected.

If you would like a consultation, please visit one of the international student affairs offices shown below. — Simply choose the one you have the easiest access to.
